Top 5 Reasons to fish in Haida Gwaii

THE FISHING – Naden Harbour offers the best fishing grounds as colossal runs of migrating king salmon make their way from the Bering Sea to the islands of Haida Gwaii. Peregrine Lodge’s rugged coastline is perfectly located to hold enormous bait balls for the large salmon to feast on. The legendary Snake Rock and Parker Point have proven to be the most consistent areas for producing the over 50 pound class Chinooks than anywhere else in the Haida Gwaii. There is an opportunity to catch five different species of salmon – Chinook (King), Coho (Silver) Sockeye, Chum and Pink. The northern waters are renowned for world-record sized Halibut and other bottom fish such as Ling Cod, Rock Cod and Black Sea Bass.

THE THRILL – The exhilarating feeling of fighting a monster king salmon and remembering to keep a tight line with your reel and your rod tip up in the air while your guide is making sure to follow the fish properly is what makes the catch a true feat. Rediscover your sense of adventure and reward yourself with a break you so well deserve.

QUALITY TIME WITH FRIENDS AND FAMILY – Share quality time with your friends, family and colleagues as you soak in the culture of the Haida Gwaii. This is a special place where memories with friends and family are created to last a lifetime. The scenic views will captivate the soul as you experience the wilderness the Haida Gwaii has to offer.

WILDLIFE AND SCENERY – Fishing the Haida Gwaii allows one to escape their everyday routines and truly soak in a special blending of senses. Connect with nature while gazing to the horizon watching a bald eagle swoop to the ocean for bait balls is a majestic event to witness. Opportunities are plentiful to capture a photograph of the many pods of whales swimming nearby, while enjoying the local landscapes.

HAPPINESS – This is a magical place, especially for those who appreciate all facets of the fishing experience. One’s self-esteem as an angler will be lifted as you battle the many fish. The experience is the reward and landing the fish is an exhilarating feeling that adds to your enjoyment. Happiness begins at Peregrine Fishing Lodge.
